Reminders and Information:

FOOD DRIVE

Thank you to all of you who made the École Lord Tweedsmuir Food Drive a HUGE SUCCESS!
Way to go!

Welcome bell at 8:50 am

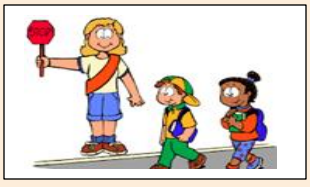
Just a reminder that our welcome bell in the morning is at 8:50 a.m for Group A and 8:55 for Group B. At that time, students line up outside at their designated areas. Students arriving late must report to the office before going to class.

Please, do not stop directly in front of the school

Parents please, there is no stopping directly in front of the school when dropping off your child. We ask you to park your vehicle in the appropriate location.

Crossing guards are provided at Eighth Avenue and 17th Street and at Hamilton Street behind the school. Drivers are asked to respect the crossing guard, heed the lower speed zone and pull over to the curb before letting students out.

Please help us in getting our students to school safely.



We wish all of our families a peaceful and restful holiday

Registration for the upcoming 2021/2022 school year

The regular registration process for the school year beginning in September 2021 **will be open from Monday January 11 to Friday March 12**. All applications received within that window will be guaranteed a place at the catchment school for your neighbourhood.

All applications received after March 12th will be placed at a school within the District, as space permits. Efforts will be made to place your child in the appropriate catchment school, but where full schools or individual grades may be at capacity, placement at an alternative school may be required.

Starting in January of 2021, we will be moving to a centralized registration process that will operate out of the new Welcome Centre, located at the brand new New Westminster Secondary School.

We are just in the midst of reviewing the registration process, and ask that you check back through Winter Break as we'll have more information then.

Programs of Choice, 2021/2022

To register for Programs of Choice (Early French Immersion, Kindergarten and Grade 1; Late French Immersion; Montessori, Kindergarten and Grade 1):

1. First register your child, as per the instructions above
2. An online application will be open from January 18th at 9am, through to February 12th at 4pm. (Placement as below, not first-come-first-serve.)

Priority placement is given to those with sibling status (defined by AP 220). All other applicants will be placed in a randomized draw, held on Monday March 1, 2021.

New Westminster Schools offers multiple Programs of Choice. To learn more about what they are, please click here:

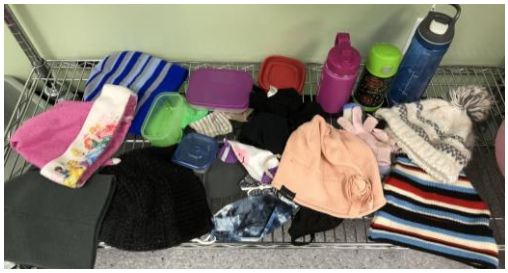
Celebration of Learning

Lost and Found


We have collected a large number of items on our Lost and Found. Please mark your child's coats with your their initials or name so we can trace the owner quickly. This would help immensely in keeping our collection to a minimum.
