

Can you help us out?

... here's some things we need for our garden project:

- access to full size logs and log rounds
- a source of large boulders, river rock, and stones, gravel, and sand
- bark mulch, soil, manure, hay
- *help to move any of the above*

- landscaping supplies, rainbarrels, trees, and plants
- hardware, e.g. nails, carriage bolts, etc.
- chicken wire, lumber (cedar + hemfir)
- *wholesale cost for any of the above*

- irrigation/sprinkler systems
- rain gutter installation
- fence, pergola, pathway construction
- arborist
- *access to services or expertise of all of the above*

**Please stop by, let your child's classroom teacher know, or email scottingham@sd40.bc.ca if you think you might be able to connect us with community businesses or personal contacts who can help make our green space project a success! Thank you for your support.*
