

New Westminster Schools

ALL 3-5 YEAR OLDS AND THEIR PARENT/CAREGIVER ARE INVITED TO JOIN **Ready Set Learn**

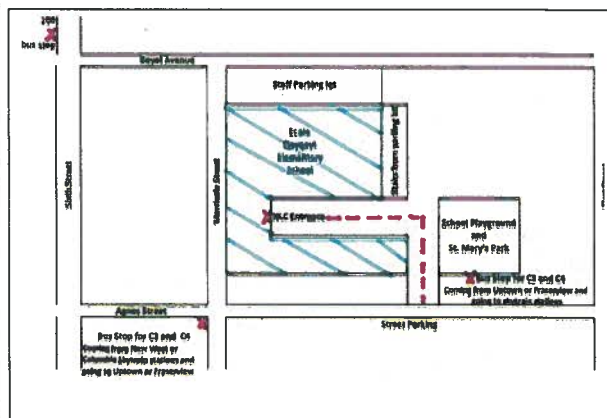

Ready, Set, Learn is about providing information to support your child's early learning and development. Participants will receive early learning resources, healthy living information, and information about child development. Children will participate in welcome circle, story time, crafts, and snack. Ready, Set, Learn also provides a positive connection between families, the school, and local community agencies. Parents/caregivers, with children born in 2012-2014, are invited.

Join us for this free fun-filled early learning session to find out how New Westminster Schools and its community partners taps into each child's potential at play, in school and beyond.

**Friday, April 21, 2017
