

Kindergarten Class Moves!

École Lord Tweedsmuir Elementary School

Letter to Parents - September 26, 2018

Principal's Message

Seismic Project Update: Let the Make Overs Begin!

Dear Lord Tweedsmuir Families of Kindergarten Students:

We wanted to update you with the moves planned for Kindergarten students. We have decided to rearrange our schedule so that the Kindergarten classes will not be moving out to the portables for the seismic upgrades. Instead, they will be moving into different classrooms on the main floor while their classrooms are being upgraded. This will apply regardless of whether your child is moving during Phase 1 or Phase 2 of the project. Students in divisions 3 & 4 will be moving during Phase 1 of the seismic upgrade while divisions 1 & 2 will be moving during Phase 2 of the upgrade.

Your child's classroom teacher will provide you with more information about where your child will line up in the mornings and be picked up at the end of the school day. Please note that these plans may change as needs change with this project. We continue to look forward to a smooth transition for all staff and students

Warm regards,

Jen Richter,
Principal

Answering your questions

If you have any questions, please do not hesitate to contact me at 604.517.6070 and I will do my best to address any concerns or issues that you may have.
