

How to Support Your Child with Math in a Way That Supports the New Curriculum?

Presented by: Josh Angiola, New Westminster's
Math Curriculum Facilitator!

Come and join us for this Education event! This presentation will focus on ways to support your child in Math for K-5. Children are welcome to come to the session.

You will:

- Discuss some of the shifts in the curriculum with how students learn Math
- Discuss the importance of a positive Math mindset
- Learn about language you can use to help your child work through Math challenges
- Participate in hands on activities that you can do with your child at home
- Walk away with parent resources
- Have a chance to ask questions
