Moving on to the next school

Hello Lord Tweedsmuir Families,

I hope you are all as well as can be and are adjusting to our new way of learning. I have to admit, this is not how I imagined finishing my tenure as a member of the Lord Tweedsmuir Parent Advisory Council Board! I have been on our PAC Board in some capacity since my son started Kindergarten in the fall of 2011. Now, my daughter is leaving grade 5 and we will no longer have children in an elementary school!

Throughout the years, I've seen construction, a replacement playground, the loss of the Montessori stream and our Grade 6 & 7 students, a beautiful new garden and much more. It has been my privilege to be a part of many of the changes that have happened.

The PAC's main focus is advocacy, to assist parents in navigating their child's school career and to support parents when they have questions or need guidance. Our goal has been to grow our community as a family, both during school and after hours through our movie and bingo nights, Fun Lunches and fundraisers to purchase extras for our students and help bring in performances and workshops in coordination with our staff.

The 2020-21 PAC cannot happen without your help. I would encourage all parents to be involved with the PAC as much as you can, even if only a few hours a month by attending the PAC meetings and learning all the exciting things that happen in our school. We always encourage parents to be a part of the PAC Board as well.

Be kind, be calm, be safe. I wish you all the best for 2020-21.
