# TERRY FOX RUN

Lord Tweedsmuir is proud to be participating in this year's Terry Fox School Run. Our school event will be held on Friday, September 24<sup>th</sup>. Students are welcome to wear red and white to show their spirit. Let's get our fundraising going and show everyone how we can 'Try Like Terry'! Donate to <http://www.terryfox.ca/LordTweedsmuirElementary>.

Together, we can all make a difference. #terryfoxschoolruns #tryliketerry #terryfoxfoundation

**Please be sure your child is dressed appropriately for the weather.** We always try to have the students enjoy outdoor recess as much as possible and the right outerwear makes a much more pleasant playtime.

**Sending along a change of clothing** (to keep in the classroom) is welcomed by teachers for those inevitable days when clothing gets wet and dry socks and pants are needed

**Lost and Found Items:** We have collected a number of items in our Lost and Found. **Please mark your child's coats with your their initials or name so we can trace the owner quickly.** This would help immensely in keeping our collection to a minimum.

## Back Parking Lot – Staff parking Lot

The Staff parking lot at the back of the school is for school staff only.

Drivers are asked to respect the posted signs. Please drop off your child on Hamilton Street (daycare included). Thank you for your co-operation.

## September 2021 Library Corner

Welcome to the beginning of another school year! I am very excited to see our returning students again and getting to know all of our new students!

I am Janis Bridger, the school's teacher-librarian, and will be seeing all students on a regular basis throughout the school year. I am at Tweedsmuir Tuesdays, Wednesdays, and Thursdays. During those days, I will see many of the classes weekly when classroom teachers have their preparation time. Those classes who do not have a weekly visit with me will be booked for a library visit every other week. I am also very fortunate to have some time in my schedule to collaborate with teachers and their students. During our library times together, students will:

- be exposed to a variety of different books (both fiction and non-fiction)
- read books together
- develop literacy skills
- choose books to borrow and bring home
- learn how to use technology
- learn about digital etiquette/literacy
- develop research skills

Students are invited and encouraged to borrow library books during each library visit. Books may be kept longer than the week or 2 week interval between visits, if they are still reading a book. With your child, please choose a safe place to keep library books at home (away from pets, younger siblings, food, water, etc.). Choosing this place also helps students to independently keep track of where their library books are, so that books can easily be located and packed in backpacks on their library day.

Unfortunately, our district subscription to Tumblebooks has not been renewed this year. If you are interested in continuing having access to Tumblebooks (English and French online books), you can do so through the New Westminster Public library with your library card information.
