## MARCH 2022 NEWSLETTER:

### MESSAGE FROM THE PAC CHAIR & VICE CHAIR:

Dear Parents & Guardians,

We're now more than half way through the school year and spring is around the corner. We hope that the families get to enjoy a wonderful spring break outdoors now that the weather is more mild. It's been a while since we've sent out a newsletter but not because there wasn't anything newsworthy. Time has just flown by!

Our PAC Executive have been working on a number of initiatives with the school to provide some fun and school spirit for our children. For details check out our meeting minutes posted on the PAC page of the school website. We have also been working on some fundraisers that to raise funds to support these initiatives; please be sure to check them out.

If you haven't attended a PAC meeting yet, please join us at our monthly virtual meetings. Come hear first-hand from our Principal, Jen Richter on what's happening at the school. This is also your chance to share ideas on what we can do as a PAC to support our children and also a place where you can volunteer for some upcoming activities. To this end please be sure to take a few minutes to fill out The School's climate and culture survey. This survey has a few questions related to parent's expectations of their PAC.

Please note there is no meeting in March so please come join our next meeting on **April 20<sup>th</sup> at 7:00 pm.**

If you have any questions for the PAC, please send them to [pactweeds@gmail.com](mailto:pactweeds@gmail.com).

Regards,  
Elaine & Rob
