

2023-2024 School Supplies List

The teachers have been busy preparing for the upcoming school year. The school supplies that they are able to order are purchased in bulk to secure very good prices. The amount for students who purchase in bulk will be \$45.00. The amount per child may vary slightly between classes due to specific grade and class requirements. Teachers may request a few additional items in September once classes have been established.

If you are choosing to purchase your own school supplies, please see the list below. The list may be found on our school webpage at www.lordtweedsmuir.ca.

Please note that purchasing supplies through the school is strictly optional.

The District is committed to ensuring that no school-age student will be denied educational opportunities due to financial hardship. Parents and guardians unable to pay some or all of a school fee are invited to speak to their child's teacher, school counsellor, and/or school principal.

New Westminster School District 40 is now offering *School Cash Online* as its preferred method for forms and payment for all school fees, everything from field trips to spirit wear. If you have not already signed up for School Cash Online, please do so at <https://newwestschools.schoolcashionline.com/Home/SignIn>.
