

Principal's Message

October 2nd was National Custodian Day, and we want to take a moment to recognize our outstanding custodial team - Mr. Santos and Ms. Liu! Their dedication, hard work, and attention to detail help keep our schools clean, safe, and welcoming for all students and staff. We're incredibly grateful for all they do each and every day.

There are still spots available for our **After School Programs** starting this month. From basketball to soccer to drawing, there is something for everyone. Click [HERE](#) for registration information. Soccer and Red Fox programming starts next week!
