

## Principal's Message

Thank you to everyone who joined us at our Matinee and Evening Winter Showcases! It was a resounding success!

What you saw on stage was the result of weeks of hard work, patience, and encouragement. Mrs. Nicholl guided our students with dedication, enthusiasm, and a true love for music. Thank you to Mrs. Nicholl for inspiring us and for making Wednesday's performance such a special experience for everyone here.

I'd also like to give a heartfelt thank you to our amazing staff who went above and beyond to support and bring Mrs. Nicholl's vision to life. From the dress rehearsal, to the interruptions during the day, to the beautifying of the gym, and to the general task of keeping students excited, engaged, focused during the matinee and evening performances. This could not have happened without everyone's dedication, teamwork, and support!

**12 Days of Climate Club** - The Climate Club is super excited to share ideas that will help us reduce our carbon footprint over the holiday season... in song form!! They were inspired by the classic "The 12 days of Christmas" and added their own green touch to the song. Please click [HERE](#) (attach song from email) for ideas on how to have a more environmentally friendly and carbon neutral holiday!

We hope your holidays are filled with meaningful moments, whether you are celebrating traditions, spending time together, or simply enjoying a well-deserved break.

Thank you for being such an important part of our community. We look forward to continuing our journey together in the coming year.

Warmest holiday wishes to you!
