

Principal's Message

It was wonderful to see students share their progress and goals with their families during **Student-Led Conferences** - a great opportunity to showcase their growing confidence and ownership of their learning.

Spring is definitely in the air as we have some busy bees, literally and figuratively, working away in the gardening. We are so grateful to our **Garden Committee** for setting the stages for a thriving outdoor learning environment. We are especially excited for the 5 new planter boxes that have been built by our amazing Facilities Crew!

This is a friendly reminder that **dogs are not allowed on school property** unless they are certified service dogs. Please connect with Ms. Trieu if you have any questions regarding this district policy.

Our **Spring Showcase** will take place on Wednesday, June 3rd. Divisions 12–21 will present in the afternoon at 2:00 PM, while Divisions 1–11 will take the stage in the evening at 6PM. As with our Winter Showcase, each family will be allotted two tickets. More details will be shared soon.
