

# Principal's Message

Our new “Fired Up for Football” corner in the Learning Centre officially opened with a wonderful ribbon-cutting celebration attended by Mayor Johnstone, Superintendent of Schools Davidson, and Ms. Adams-Brush from the New Westminster Public Library. Students were excited to explore the new soccer-themed books and celebrate their love of the world’s game ahead of next month’s World Cup festivities.

A huge thank you to Ms. Bridger for all of her hard work in creating this special space, and to Mr. Liu for getting students so excited and engaged about “football”/soccer with the Champions League. The event was a tremendous success! Check this [SWAY](#) see how “fired up” we were for football
