

Principal's Message

It was an exciting week at our school as students participated in Futsal activities with Coach Igor. Students learned new skills, practiced teamwork, and showed great enthusiasm for the game. With Vancouver preparing to host matches during FIFA World Cup, many students are feeling inspired and excited about football!

We also celebrated Pride Week. Staff and students added colour throughout the school to show their support for inclusion, kindness, respect, and belonging. It was a wonderful opportunity to celebrate diversity and continue building a welcoming school community where everyone feels valued and accepted.

Click on this [SWAY](#) to see the joy in the school this week!

Parent Appreciation Tea: We warmly invite all parents to join us for our PAC Appreciation Tea on **Friday, June 19th!** Coffee and iced tea will be served outside the ADST Room (bottom of the stairs to the gym on the east side of the school) at **8:30AM**, and a selection of treats will be available inside the ADST Room for parents.

This is our opportunity to thank our families for their continued support, involvement, and partnership throughout the school year. We greatly appreciate all that you do to help make our school community such a wonderful place to learn and grow. We hope you can join us!

Class Placement: As we are planning for next year's classes, we understand that some parents may have requests regarding class placement. Class placement decisions are made carefully by school staff and teachers who know students best in the classroom setting, including their academic, social, and learning needs. Many factors must be considered when creating balanced classes, including class composition, academic needs, gender balance, social dynamics, and student relationships. For this reason, we cannot guarantee any specific placement requests. We ask families to trust the professional judgment of our staff as they work to create the best possible learning environments for all students. While we cannot guarantee a specific teacher or class, we can ensure that each child will have at least one learning friend in their class to help support a positive transition into the new school year.

Weekly Update

Monday, June 15

- All clubs are done for the year. Go enjoy the sunshine

Tuesday, June 16
