As we head into our last week of June and gear up for the summer, it is also the time to say farewell to some of our staff members who will not be returning in the fall. While we are sad for their departure, we are excited for their new adventures, whether it be a change in grade level, a new career path, or heading to a new school. All I can say is that it has been a privilege working with these amazing staff members. Please join me in wishing them all the best in their new endeavours.
