# Principal's Message

We had a beautiful Remembrance Day ceremony at our school on Tuesday. It was a wonderful opportunity to reflect on the importance of peace and to show our gratitude to the men and women who have served in the military. Our teachers have spent time helping students understand why we take time to remember, and it was lovely to see our students show such respect and thoughtfulness throughout the ceremony. We are proud of the way our school community came together to honour this important day. Click on this SWAY to see the beautiful art work around the school and other November Moments.
